This event is being held to raise funds for the Catch-A-Dream Foundation. Catch-A-Dream is an organization, which donates guided hunts for seriously ill children.

We will be allowing just about any firearm, no limitations on caliber, action, or sight requirements. No full auto!

This is a fun shoot only! Not a strict competition! The main idea is to raise money for kids in need, and to enjoy a day of shooting at targets that we normally do not shoot at during normal open shooting.

We will be setting up metallic silhouette and quite a few other challenging targets to test your skills.

Food and drink will be available on site for lunch at very reasonable prices.

NO Alcohol will be permitted.

Door prizes will be donated by local gun shops.
