

Dear Member,

Another year has gone by and it's that time to pay your dues again for 2009. We will be holding the line and will not be increasing dues for still another year.

To insure that you remain in good standing, mail your dues to me at the address listed on the renewal form, or pay me in person at our monthly meetings.

Please fill out and return the renewal form with your dues.

All membership renewals must be returned to the membership chairman by April 1st or your name will be removed from the books.

For those members whose address changed this past year, please mark the box on the renewal form and list your new address on the form.

Replacement renewal forms can be downloaded and printed from the club website. Visit the website at "www.windsorfishandgame.org".

MEMBERS MUST DISPLAY MEMBERSHIP CARD WHILE ON CLUB PROPERTY.

The fee for replacement membership cards will be \$ 1.00.

Listed below are some improvements and activities that have occurred over the last year.

1. This year we accepted 67 new members and hope for continued success in 2009.
2. Replaced the roof over the firing line.

FUTURE PLANS

1. Adding more members in 2009, we had 67 new members in 2008, and would welcome many more new members in 2009. So if you have friends who want to join, please have them complete a membership application or give me a call.

Numerous improvements have been made to the range to insure the safety of our neighbors to the left and to the right. Keep in mind that only paper targets are to be used during open shooting, and don't forget to turn on the buzzer before going down range. **Ensure everyone has returned from down range BEFORE turning buzzer off.**

REMINDER: Last member leaving, lock gate on your way OUT to ensure only members are using the facility. Gate lock combination changes April 1, 2009.

Check all locks (i.e., clubhouse, restroom, phone box, shed) before you leave if you are the last one out.

Use appropriate targets only. Do not abuse target holders.

SHOOTING HOURS ARE FROM 7:30 AM TO SUNSET.

No alcohol is permitted. If witnessing someone using alcohol on the premises, get license number and notify club officer/director.

Two special benefit shoots have been scheduled in 2009. They will be on March 21st and September 12th. Proceeds will benefit Catch A Dream Foundation. Shoots start at 9AM. All legal firearms will be allowed to shoot, except NO FULL AUTO. Check the website for additional details.

REMINDER: MEETINGS ARE HELD AT 7:30 PM ON DATES LISTED.
